August 2022 WORKSHOPS

Genesis Entrepreneurship Centre, Main Campus: Room SC128
In an effort to keep everyone safe throughout the COVID-19 pandemic, the Genesis Entrepreneurship Centre will be hosting all programming in an entirely virtual format. All posted Genesis Workshops and events will be delivered through Zoom.

Please note: we have included additional workshops from our community partners. Please contact them directly for their workshop information.

**eCommerce 101: What, Why and How**

Tuesday, August 2nd 10:00am – 11:30am  [Register here](#)

More consumers than ever before are turning to online shopping for greater convenience, safety, and variety. In this webinar, the Toronto Digital Service Squad will teach you the basic steps to setting up an online store. We will cover everything from what you need to prepare before launching a store, to choosing an e-commerce platform, to providing excellent customer service online. You’ll finish this session feeling excited about how e-commerce can help you reach new customers and expand into different markets.

What you will learn:
- What is e-commerce, why it’s important and the benefits of selling online
- What platforms are available and how to pick the right one for you
- The basics of inventory management, choosing the right solution, and streamlining point-of-sale for both in-store and online
- Optimizing your website content, choosing the right themes, and the basics of search engine optimization (SEO)
- How to set up secure payments and various shipping options & costs
- Look at the basics of driving traffic to your store and boost sales through a variety of digital marketing channels
- How to provide excellent customer service throughout the e-commerce purchase funnel

Business Plan Basics

Thursday, August 11th 2:00pm – 3:15pm Register here

Writing your first business plan is a major step in putting your small business on the map. The point of your plan is to articulate the concepts that inspired you to start your business as well as evaluate potential hurdles like competition and funding issues. Whether you are seeking start-up capital or just want a solid road map to guide you through the early years of your business, a workable small business plan will help you work toward your goals.

In Part 1 we’ll cover an introduction to planning, the contents of a plan, Executive Summary, Company Overview, Marketing Strategy and an introduction to the library’s market research tools.

Social Media for Your Business

Tuesday, August 30th 10:00am – 11:30am Register here

Social media is an invaluable tool for today’s business, whether you are just starting out or have been established for years. Not understanding how to use social media effectively can leave you overwhelmed and ultimately hurt your bottom line as your potential customers can easily find your competitors. This workshop hosted by the Toronto Digital Service Squad will leave you with a better understanding of how to leverage the power of social media to grow your online community, drive sales and reduce marketing costs.

What you will learn:
• How to choose the right social media platform(s) for your business
• How to set up and optimize social media profiles
• The basics of Instagram & Facebook shopping and how to utilize shoppable feeds
• Best practices for engagement on Facebook, LinkedIn, Twitter, Instagram, TikTok and Pinterest
• Growing your social media community using both organic and paid strategies
• Planning and curating your social media content
• Tools for managing platforms and scheduling posts to save you time and energy

Join us to learn the ropes of building an engaging and profitable social media presence for your business.
